Poster and information about cancer

Say No to Plastic Abhiyan

"Say no to Plastic Abhiyan" was conducted in month of February inside as well as outside of the terminal. Awareness campaign was conducted through Emails, Notice board display & toolbox talks involving employees, contractors to realize the danger behind the daily usage of plastic bags and items.

Awareness to Contracted Lashing Staff on Say NO to Plastic

Video Showing at reception

IMDG Training for ERT team members

IMDG Training for ERT team members: IMDG training arranged for Emergency Response Team members on 23 rd February 2019. The training was imparted by external training agency "Bhandarkar Shipping News". The session attended by 28 employees. This is an initiative taken with the objective to strengthen the emergency response system.

High Visible safety vest with sparkling lights was provided to Watch & Ward for better visibility.

Snake catcher with plastic hand grip and grab has been provided to GT reefer technicians for safely removal of Reefer Cable from basket if containers are placed away from railing. This is an innovative approach adopted to avoid human contact in risky areas.

Other Safety initiatives

Safety Mock drill conducted in GT Yard – Medical Emergency/Industrial Accident

Awareness session conducted with ITV drivers on handling IMDG (Tank) containers along with Ops Team

Tool box talk with Deck/Wharf Checkers and Lashing staff before commencing vessel operation
