

REPORT ON SAFETY EVENTS MARCH - 2018

EVENTS HIGHLIGHTS

National Safety Week

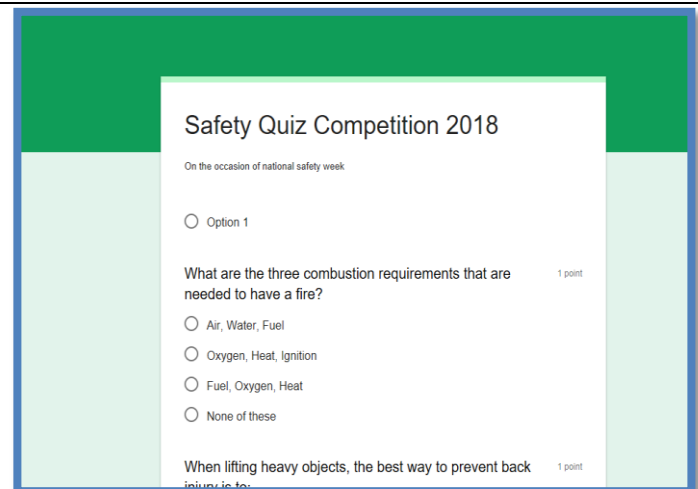

DP World Nhava Sheva has celebrated "National Safety Week 2017" as per NSC (National Safety Council) guidelines. During the National safety week celebrations a number of initiatives were undertaken involving employees, contractors, stakeholders and students in nearby schools. Events were held between 4th March and 10th March 2018.

The initiatives included were slogan competition, quiz competition, safety poster drawing competition, and spot quiz competition for employees, elocution competition for contractors, safety campaigns for external truck drivers, lashers, ICD checkers, and contracted supervisors. As part of safety week celebration, safety awareness campaigns for school children and college students have been also been arranged at a nearby school

1. SAFETY QUIZ COMPETITION

Safety quiz questions based on safety and environment was arranged for employees. It is really glad to know that all participants were able to score well above the average. Total 42 participants responded for online quiz. Quiz had 20 objective questions regarding general, port safety rules and regulations, environment etc

2. SAFETY EXHIBITION

Safety Exhibition 2018 is conducted to provide knowledge on Safety related commodities and continue to successfully keep workers and environments safe. This two-day exhibition is organised from 6th - 8th March, 2018 at the NSICT Second floor Training Hall.

3.SAFETY SPOT QUIZ COMPETITION FOR EMPLOYEES AND CONTRACTORS:

We have conducted an interesting campaign through spot safety quiz and it was conducted for contracted staff.

4.SAFETY ELOCUTION COMPETITION FOR CONTRACTORS:

Safety elocution competition was conducted for the contracted staff with involvement of contracted supervisors and user department representatives. Topic given to them was "Safety in Daily Life"

5.SAFETY AWARENESS CAMPAIGN WITH STUDENTS AT NEARBY SCHOOL

HSE representatives have visited nearby school, had an awareness session with students. A fun filled session has seen active involvement of 35 students and discussed regarding children's safety, crime related with kids, precautions to be taken while travelling alone.

6. ART OF REUSE COMPETITION-Turn trash into treasure!

The competition accepted all up cycled items created by Employees and Contractors. Up cycled is reusing old materials to create a brand new item! Up cycling often uses broken, damaged, or other discarded materials and transforms them in to a useful, one-of-a-kind treasure. All entries are judged primarily on their creativity, originality, and reuse of materials. Multiple submissions are permitted to encourage creativity.

7.AWARENESS CAMPAIGN WITH CONTRACTORS, EMPLOYEES AND STAKE HOLDERS THROUGH TOOLBOX TALKS:

Awareness campaigns were conducted through number of toolbox talks with employees, contractors and stake holders. Awareness campaigns covered different topics like port safety rules and regulations, general safety, environment, pollution, precautionary measures while working, safe operating procedures, health awareness for drivers, were few among discussed.

World Water Week Celebration

Theme: Nature for Water

DP World Nhava Sheva celebrated "World Water Week" between 20th and 26th March 2018. Various initiatives were undertaken in terminal and beyond the gate involving employees, contractors, people at nearby village & students from local school.

The below initiatives were undertaken on this occasion –

Spot game involving Canteen staff-

In recent years, we have begun using games as a way to provide Employees and contractors opportunities to experience social dilemmas related to the governance of common resources. The games simulate real-life decision making, such as selecting the most efficient water saving technique. A game was conducted on the concluding day of World water week. Canteen staff is given water to serve in Glasses; they have to minimize the water loss while serving and complete filling glasses in stipulated time. Gifts are distributed to winners. Participants expressed their happiness participating in this program and appreciated HSE team for the initiative.

Spot Elocution competition

Sport quiz is conducted on the occasion of World Water week. Basic questions testing the knowledge of employees were asked. Many employees participated enthusiastically in this event. Gifts are distributed to winners. Employees expressed their happiness participating in this program and appreciated HSE team for the initiative.

Visit to nearby local village – Awareness campaign with Home Makers

As a part of World water week celebration, an awareness campaign was arranged at Mulekhand – Telipada village Uran. More than 30 home makers from village attended the water day celebration that has been arranged. 'Why waste water' was the theme for this campaign. HSE representative shared knowledge on water conservation during the session. The participants were keen to share the initiatives they have been

taking at their households and living places.

All participants were given complimentary gifts at the end of session as a token of their active participation. Saplings were distributed to all the participants to make them aware about importance of planting trees and How trees can help to conserve water.

Visit to nearby School (Z.P. Savarkhar school, Uran – Involving students)

A program on water saving was arranged at Sawarkhar, Uran. The support and involvement was excellent from the Principal, Village president and other Teachers. Campaign was attended by 35 students along with 02 teaching staff. Students belonged to Primary Grade. Further Speech Competition on water conservation was conducted with School Students and prizes were given for the Effective Speech. Below points were a part of the awareness campaign - Water & Our population, water consumption - Limited resources, How to prevent wastage of water, Reduce – Reuse & Recycle concept, water saving tips.

Prizes were given for the best performance.

Below points were a part of the awareness campaign - Water & Our population, water consumption - Limited resources, How to prevent wastage of water, Reduce – Reuse & Recycle concept, water saving tips.

Safety Elocution competition for Contracted Supervisors –

Safety elocution competition was conducted for the contracted staff with involvement of contracted supervisors and user department representatives.

Survey on Water Leakages -

HSE team has conducted a survey on water leakages inside the Terminal. We have arranged to rectify the leakages on immediate basis.

Awareness campaigns in the terminal regarding water saving

Various awareness campaigns conducted at the terminal involving employees contractors to highlight the importance of water in life, tips for water saving, problems with shortage of water, ways of recycling, how energy is linked with water, essentiality of water for life etc. Theme for this year's water day is **Nature of water**. Duties and roles of a responsible citizen to save the resources were also discussed during this occasion.

Trucker's Safety Day

As a part of SCO Trucker's awareness program, "Truckers Safety Day" was observed at the Terminal on 25th March 2018. As a part of the awareness campaign, below initiatives were undertaken –

- External truck drivers and ITV drivers were reminded on Terminal safety and traffic rules. They were reminded on high risks of man machine interface.
- Spot safety quiz were conducted for the drivers and the winners were awarded with a gift.
