

Driver's Day Celebration-17th September 2014

480 drivers including both internal and external drivers were provided food boxes and snacks at the Gate, Canteen and Contractors Rest Room

General Health Check-up for approximately 42 Drivers was conducted outside the NSICT Gate for the External Trailer Drivers with the help of our Paramedic Officer. The program was well organized by the Admin team along with Operations & QHSSE&T departments' joint efforts.
