

NATIONAL SAFETY WEEK CELEBRATION-2018

DP World Nhava Sheva has celebrated “National Safety Week 2018” as per NSC (National Safety Council) guidelines. During the National safety week celebrations number of initiatives were undertaken involving employees, contractors, stakeholders and students in nearby schools. Events were held between 4th March and 10th March 2018.

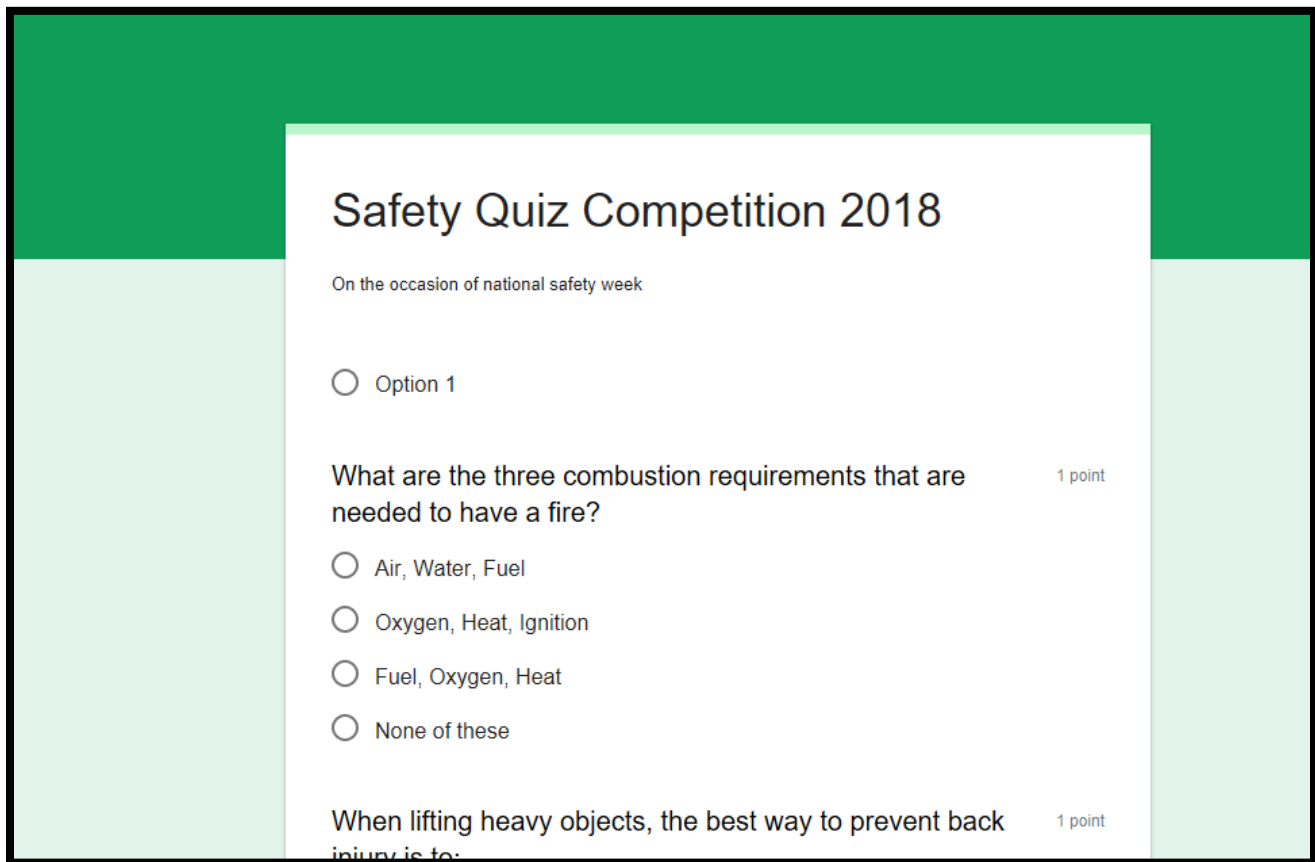

Active involvement from employees, contractors, drivers, stake holders and local public was observed during the celebration. The initiatives included were slogan competition, quiz competition, Safety Exhibition, Art of Reuse competition, and spot quiz competition for employees & contractors, elocution competition for contractors, safety campaigns for external truck drivers, lashers, ERTG operators, and contracted supervisors. As part of safety week celebration, safety awareness campaigns for school children have been also been arranged at a nearby school. An interactive session with an active crowd of 74 students were present, and discussed regarding personal safety, safety on road, home, sports etc. Global environmental issues were also discussed.

Online Quiz on environment and general safety has seen an active participation from Employees and participation gifts were given to all. The campaigns on safety awareness conducted through poster display, desktop messages, Tool box talks and safety awareness campaigns etc.
