

REPORT ON SAFETY EVENTS AUGUST - 2019

PPE compliance for external truck drivers: Carrying helmet and safety jacket is made mandatory for external truck drivers from 01st August 2019 & is being monitored. Safety advisory sent to all stake holders. Awareness spread among external drivers through toolbox talk and training sessions at parking plaza. Excellent response was observed on ground and majority of drivers are carrying helmet and safety jacket. Helmets & jackets made available at parking plaza and survey points for the drivers who do not carry the same. The Purpose is to ensure external driver use safety jacket / helmet when he gets down from truck if required.

Health awareness with terminal staff: Health awareness session on hygiene and sanitation was conducted with employees.
