

DP World Nhava Sheva: World Environment Week Celebration – 2017

As whole world celebrates World Environment Day on 5th June to show the gratitude towards our mother nature for providing a beautiful environment for all of us, DP World Nhava Sheva is committed to deliver environmental caring and awareness to its most.

A number of initiatives were held during this week in order reach out to people working with us & beyond our terminal premises. Tree plantation events, village visit, Elocution competitions, drawing competition, collect your seeds initiatives, slogan competition, Toolbox talks were conducted. DP world Nhava Sheva is dedicated to increase environmental positive impact through continuous efforts on areas like adaptation to renewable energy resources, reduced waste material production, fuel, energy consumption, Reused and recycle materials etc. Our terminal has observed persistent initiatives during 5th June to 11th June involving employees, contractors and people from nearby village.

The Theme for 2017 is "Connect with nature". Nhava Sheva is highly dedicated to make people aware about conserving and connecting with the nature.

HIGHLIGHTS

Awareness campaigns in the terminal regarding Environment

Various awareness campaigns conducted at the terminal involving employees and contractors to highlight the importance of Environment in life.

The awareness sessions with management employees and contracted staff was conducted through Environmental messages throughout the week, banner display, tool box talks and notice board displays etc.

Environmental Slogan Competition

Environmental slogan competition was conducted for employees on the occasion of world environment day. Employees gave very good response and came up with some creative slogans. These slogans were communicated with all employees through mails.

Winner for slogan competitions

1. Rajesh Bhosale
2. Leena Manna

Bio Compost Plant

Composting is also very useful for recycling kitchen wastes, leftover crop residues and other biodegradable waste. It not only reduces the carbon emission but also produces compost which can be used as organic fertilizer for farming and gardening.

DP World Nhava Sheva took an initiative in setting up a Bio compost plant at the terminal. It was inaugurated by CEO Mr. Ravinder Singh Johal on the occasion of World Environment week.

Tree plantation at neighbouring Police stations

DP World Nhava Sheva took an initiative to associate with local police stations to make them greener.

Tree plantation was done at two police stations. Chandani chauk police station and Karel Phata police station was selected for tree plantation.

Reflective strips and Masks were given to Traffic police which will help them to ensure personnel safety while at work.

Collect your seeds challenge

An interesting initiative was taken at DP World Nhava Sheva on the occasion of World environment week. This initiative was to collect all the seed of fruits and vegetables which we eat at home and submit them at safety department. HSE team will plant them at some suitable location as monsoon starts.

Many employees took active participation and involved their family members in this challenge.
