

# Customer Advisory

To Our Esteemed Customers,

A safe berth has been defined as a place where a vessel can berth, lie alongside & depart safely. We at DP World Nhava Sheva in keeping with our high standards of operational safety wish to ensure that when you come to our berth the best possible is at your service. We have therefore, ensured that access to the vessel will be as safe as it can get.

For the above facility, a nominal charge of INR 5,000 per vessel will be charged from 15<sup>th</sup> April, 2016. This is towards reimbursement of cost incurred by us towards the placement, maintenance & operational costs associated with the gangway.

Trust we have your full support towards the safety initiatives.

Best Regards,

Ajay Singh  
Chief Executive Officer  
DP World Nhava Sheva
