

Customer Advisory**NSICT COMMON DPD CODE****Dear Valued Customer,**

Following the paradigm of Ease of Business Initiative ,The Terminal wishes to advise you the Common DPD Code for your account has been mapped to the INTERNAL DPD CODES issued by NSICT. Common DPD Code is the Three letter DPD code which can be used by you to indicate your DPD Terminal pick up preference to the Shipping Lines and is common across all terminals within the Nhava Sheva harbour.

1. Please find the link for DPD Common Code match back to DP World issued internal codes for NSICT. This list is sorted basis the IEC number. Kindly peruse the details pertaining to your specific account and revert back to the Terminal with discrepancies if any. Please also kindly furnish those data set elements to the Terminal over email at the designated email address where specifically requested. This review of information will help us deliver a seamless smooth operational experience to you.
