

LCL DECLARATION IN "LOAD STATUS" of IAL DPW/NSA/08/2020

Dear Valued Customer,

JNPT have requested Terminals to exclude the LCL containers from loaded Imports count, while submitting their DPD share calculations to the Port. We need to therefore identify your LCL containers in the Terminal Operating System.

You are therefore requested to kindly indicate the Load status of container as E for Empty, F for FCL and L for LCL while submitting the IAL. Attached format of IAL is for your ready reference.

This will be effective for all Vessel berthing on and after 27th May 2020.

For any clarification or assistance please feel free to contact us on telephone number +91-8879624607, email *Documentation.Nsict@dpworld.com*

Wishing you and your families good health.

Warm Regards,
Customer Service Desk
