

# Customer Advisory

## Issuance of RFID Tags

**Dear Valued Customers,**

RFID tags being an essential component of gate automation at NSIGT, DP World issued 15000 tags to trucks free of cost which ensured most trucks plying to the terminal are covered.

We have unfortunately witnessed many instances of trucks not taking care of their tags resulting in DP World replacing their tags free of cost.

This has also caused a bit of slowdown of traffic at the gate's. It is therefore now decided that any further issuance of RFID tags will be at a nominal charge of INR 100 / tag and this will be issued at the gate before the surveying point or at the parking plaza.

This will come into effect from 11th Aug 2017.

We humbly thank you and look forward to your usual support.

Best Regards,

DP World Nhava Sheva
