

DP WORLD NHAVA SHEVA AND JAWAHARLAL NEHRU PORT CONTAINER TERMINAL FLAG OFF CONCOR'S MAIDEN DPD TRAIN

Mumbai, India, 20th January, 2019: Global trade enabler DP World operated Nhava Sheva International Container Terminal with Jawaharlal Nehru Container Terminal and Jawaharlal Nehru Customs House flagged off CONCOR's first DPD train destined to Karambeli, Vapi.

This rail service is one of the key initiatives under DPD to further facilitate ease of doing business at the JNPT port. The service has enabled prompt and faster delivery of containers directly to the customers in the industrial locations in and around Vapi, Valsad, Sanjan, Umbergaon. Further reducing inventory cost and saving in transportation time from the terminal to the warehouses/factories.

The train was flagged off in the presence of officials from DP World Nhava Sheva and CONCOR and was facilitated through special assistance provided by Mr. Vivek Johri, Chief Commissioner– Customs, JNCH.

About DP World

DP World¹ is a leading enabler of global trade and an integral part of the supply chain. We operate multiple yet related businesses – from marine and inland terminals, maritime services, logistics and ancillary services to technology-driven trade solutions.

We have a portfolio of 78 operating marine and inland terminals supported by over 50 related businesses in over 40 countries across six continents with a significant presence in both high-growth and mature markets. We aim to be essential to the bright future of global trade, ensuring everything we do has a long-lasting positive impact on economies and society.

Our dedicated team of over 36,000 employees from 103 countries cultivates long-standing relationships with governments, shipping lines, importers and exporters, communities, and many other important constituents of the global supply chain, to add value and provide quality services today and tomorrow.

Container handling is the company's core business and generates more than three quarters of its revenue. In 2017, DP World handled 70.1 million TEU (twenty-foot equivalent units) across our portfolio. With its committed pipeline of developments and expansions, the current gross capacity of 88.2 million TEU is expected to rise to more than 100million TEU by 2020, in line with market demand.

By thinking ahead, foreseeing change and innovating we aim to create the most productive, efficient and safe trade solutions globally.
